Re: Professional Reference

To whom it may concern

This is to certify that Asadweb of Orłąt Lwowskich 36, 02-495 Warszawa, Poland has been contracted by VanOne Team Limited to design and deliver a set of animated banners for our Google Adwords campaign. They not only successfully completed the order but served as a source of valuable information in regards to the Internet advertising standards.

Should you require further information, please do not hesitate to contact me for more information.

On behalf of VanOne Team Limited
